Our History - Our Veterans - Our Freedom

Seventy years ago, Allied forces set into motion an unprecedented plan to open a Western Front in France.

By air and by sea, hundreds of thousands of men and machines landed on the Normandy coast. Many never made it off the beach. Many more never made it home.

Help us keep alive the history and the stories of these brave men and women that gave so much to make freedom possible.

Help Keep History Alive! Become an inaugural member of the:

"D-Day Conneaut Honor Roll"

Join the fight to keep history alive by claiming your place on the **D-Day Conneaut Honor Roll**. Your much needed support helps fund our annual WWII reenactment and local museum development. D-Day Conneaut is the largest D-Day reenactment/ living history event in the US and one of the largest, most authentic WWII reenactments in the country with over 1,000 reenactors and 25,000+ attendees.

A simple goal of raising \$70,000 in honor of the 70th anniversary of the Normandy Landings has been set. Together we can keep history alive. A minimum of a \$1,000 tax deductible donation by you, your family, business, scout troop or any group, permanently places your name in history and helps keep the legacy of the "Greatest Generation" alive. Besides helping to fund the annual living history reenactment, contributions help further our effort to open a WWII focused museum in Conneaut, Ohio to preserve and share the personal experiences of WWII veterans for generations to come.
