D-DAY 74TH ANNIVERSARY

Our History - Our Veterans - Our Freedom

Seventy-four years ago, Allied forces set into motion an unprecedented plan to open a Western Front in France.

By air and by sea, hundreds of thousands of men and machines landed on the Normandy coast. Many never made it off the beach and many that did, never made it home.

Help us keep alive the history and the stories of these brave men and women of the "Greatest Generation" that sacrificed so much to make freedom possible.

Our Mission:

D-Day Ohio, Incorporated commemorates the Invasion of Normandy on 6 June, 1944, predominantly through educational immersive experiences like living history exhibits and reenactments. This commemoration is to honor the sacrifices made by all those involved in this campaign and World War II.

Join the fight to keep history alive by claiming your place on the **D-Day Conneaut Honor Roll**. D-Day Conneaut is the largest D-Day reenactment/ living history event in the US and one of the largest, most authentic WWII reenactments in the country with over 1,200 reenactors and 40,000 attendees.

Together we can keep history alive. A minimum of a \$1,000 tax deductible donation by you, your family, business, scout troop or any group, permanently places your name in history on our D-Day Honor Roll and helps keep the legacy of the "Greatest Generation" alive. Besides helping to fund the annual living history reenactment, contributions help support our WWII focused museum in Conneaut, Ohio which is dedicated to preserving and sharing the personal experiences of WWII veterans for generations to come.
